

10th International Conference on Cybersychology and Mental Health: Challenges, Trends, and Solutions

Guidelines for Poster Submission

- Due to the virtual nature of the conference only electronic Posters (E-Posters) in PDF format will be accepted.
- All posters will be displayed on the conference website on the conference days. They can be viewed by audiences at any time. **Posters will only be displayed and not presented.**
- Printed posters or photographs of printed posters will not be accepted
- Please email your poster at irumnaqvi@nip.edu.pk or sara@nip.edu.pk as **PDF** file (not as a PowerPoint file) with a maximum of 2 Mb.
- **IMPORTANT:** Last date to submit the poster is **Tuesday 26th November 2024.**
- The poster should be a clear visual presentation of your submitted abstract and should contain the following information:
 - **Poster Title** (names of all authors and institutional affiliation at the top of the poster)
 - **Abstract** (brief summary of research)
 - **Introduction** (text information with background to address the problem statement. It is not advisable to display entire text of a manuscript)
 - **Method** (clearly state objective, hypotheses, sample, instruments, and procedure of research data collection)
 - **Results and discussion** (use figures and tables to address the objectives and hypotheses stated in method section and relevant supportive literature)
 - **Conclusion** (salient findings of the research)
 - **Limitations and Suggestions**
 - **Acknowledgements** (if any)

Poster's Format

Please ensure following dimensions for the poster:

- Poster size should be 60 inches (length) x 30 inches (width), portrait format.
- It is recommended to use Times New Roman.
- Be sure to clearly indicate your title, author names and affiliated institutions at the top of your poster.
- Poster will not be acceptable and displayed on website, if not prepared according to given instruction.
- Please save the poster with the abstract ID given by the conference organizers.
